Frontend Developer Intern

Panacea Solution Pvt. Ltd.

Sep 2024 – Dec 2024

- Developed responsive web pages using HTML, CSS, JavaScript, and React.js.
- Collaborated with teams to implement client-facing features.
- Gained practical experience with Git and agile methodologies.
- *Learned: React.js, building scalable UIs, team collaboration.*

Projects

Doctor Appointment Booking | MERN

- Not Completed Currently working on it

GitHub Link

Chat App | React.js, Node.js, Express.js, MongoDB

- Designed and deployed a scalable RESTful API using Node.js and Express server
- Implemented a real-time chat feature using WebSocket and Socket.io, enhancing user engagement and reducing response time

Demo Link, GitHub Link

MERN E-Commerce Web App | MongoDB, Express.js, React.js, Node.js

- Developed a full-stack e-commerce web application using the MERN stack, enabling users to browse and purchase products seamlessly.
- Implemented server-side logic with Node.js and Express.js, handling RESTful API routes, user authentication, and integration with MongoDB for data storage.
- Utilized React.js and React Router for building a responsive and interactive user interface, providing a smooth browsing and shopping experience.
- Incorporated Redux for efficient state management, allowing for seamless data flow and updates throughout the application.
- Implemented payment is Not integrated
- Deployed the application to a cloud hosting platform, ensuring scalability and high availability.

Demo Link, GitHub Link

Employee Dashboard | Vite, React, Tailwind CSS, Redux Toolkit

- Developed an advanced employee management dashboard to streamline internal operations and enhance team productivity.
- Integrated Vite for a fast and optimized development experience, resulting in quicker build times and a more responsive application.
- Utilized React for building a dynamic and interactive user interface, enhancing user engagement through a modern and intuitive design.
- Implemented responsive UI components with Tailwind CSS, ensuring the application is accessible and visually appealing across a range of devices and screen sizes.
